- Good Team Player

PROFESSIONAL SUMMARY

I am a self-motivated and highly skilled Information Technology student who is keen on applying academic foundation experience. Very punctual and organised individual with excellent interpersonal skills and the ability to communicate professionally. I am comfortable with working with different people from different backgrounds. I work well within a team and individually. Interested in an organization that will allow me to grow career wise while at the same time I am adding positive value to the organization.

WORK HISTORY

Web Developer (Part time), 03/2020 to Current

G-Media - Vanderbijlpark, Gauteng

- Represented the team at meetings with executives, and discussed project goals and milestones.
- Designed, implemented and monitored web pages and sites for continuous improvement in a fast-paced environment.
- Converted mock-ups into HTML, JavaScript, AJAX and JSON.
